

## SHOW ALL THE WORLD

Ice and snow along the way  
The world is cold, where is the spark that we  
Used to have inside?  
Join together, stand united  
The mighty one will lead us all the way

This is not a fairy tale  
Not a silly game we play  
Turn around and see the difference

Show all the world that freedom shall come  
And sins were forgiven for mankind  
Come closer to see the treasure now  
Together we'll rise, we will...

Show all the world  
We will show all the world  
We are working for the master  
The nights are long and the sacrifices  
Are hard to face something  
Into the fire in pole position  
We're ready for the call, it is our mission

## JESUS' BLOOD

There's a secret I must tell  
Of all the love I've found  
And it's hidden in my heart  
The day you tore my world apart

Hallelujah, King forever, friend and Saviour

Jesus' blood never fails me,  
Jesus' blood never fails me,  
Jesus' blood, Jesus' blood

And this secret, it will run  
To the corners of the earth  
Where every woman, every son  
Will carry high their chains undone

Hallelujah, King forever, friend and Saviour

Jesus' blood never fails me,  
Jesus' blood never fails me,  
Jesus' blood never fails me,  
Jesus' blood, Jesus' blood

Sing your songs of freedom  
Praise the God of heaven  
Love that never fails me  
Jesus' blood, Jesus' blood

## MY GLORIOUS

The world's shaking with the love of God  
Great and glorious, let the whole earth sing  
And all you ever do is change the old for new  
People we believe that

God is bigger than the air I breathe  
The world we'll leave  
God will save the day and all will say  
My glorious!

Clouds are breaking, heaven's come to earth  
Hearts awakening let the church bells ring  
And all you ever do is change the old for new  
People we believe that

## OUR GOD REIGNS

40 million babies lost to Gods great orphanage,  
It's a modern day genocide and a modern day disgrace  
If this is a human right then why aren't we free?  
The only freedom we have is in a man nailed to a tree.

100 million faces, staring at the sky,  
Wondering if this HIV will ever pass us by.  
The devil stole the rain and hope trickles down the plug,  
But still my Chinese take away could pay for someone's drugs.

Our God reigns, Our God reigns,  
Forever your kingdom reigns.

The west has found a gun and it's loaded with 'unsure'  
Nip and tuck if you have the bucks in a race to find a cure.  
Psalm one hundred and thirty nine is the conscience to our selfish crime,  
God didn't screw up when he made you,  
He's a father who loves to parade you.

Yes he reigns, yes you reign, yes you reign,  
For there is only one true God,  
But we've lost the reins on this world,  
Forgive us all, forgive us please,  
As we fight for this broken world on our knees.

## GLORY TO THE BRAVE

Snow is falling down on this glorious land  
colors fading, turning into white again  
To fallen heroes angels sting, they cry their winter tears  
endless mourning days will turn to years

So this is goodbye, I take leave of you and  
spread your wings and you will fly away now, fly away now

Nothing on earth stays forever  
but none of your deeds were in vain  
Deep in our hearts you will live again  
you're gone to the home of the brave

Every solemn moment I will treasure inside  
even though it's hard to understand  
that a silent wind can blow that candle out  
taking everything leaving the pain far behind

You call out my name, but your voice is fading  
into the wind, embraced, you'll fly away now, fly away now

Nothing on earth stays forever  
but none of your deeds were in vain  
Deep in our hearts you will live again  
you're gone to the home of the brave

My eyes are closed I feel you're faraway (so close)  
far beyond that shining star  
I know you'll find what you've been fighting for  
far beyond that shining star

Down on bended knee I pray, bring courage to these souls  
make'em live forever in the heart of the bold  
So I say farewell my friends, I hope we'll meet again  
when my time has come to fall from the grace

So this is goodbye, I take leave of you and  
spread your wings and you will fly away now, fly away now

Nothing on earth stays forever  
but none of your deeds were in vain  
Deep in our hearts you will live again  
you're gone to the home of the brave

## IN THE KINGDOM

Saw the headlines just the other day  
Said the wall's comin' down  
Said the peace is just a breath away  
One world, one voice, on happy family  
Yeah, that's what the world believes

I read my Bible just the other day  
Said the Kingdom's comin' down  
Jesus said the Kingdom's just a prayer away  
One Lord, one God, one faith eternally  
Yeah that's what the church believes

We're alive, we are strong  
We're a nation, we belong  
Let us all stand together in the Kingdom  
No more darkness, no more night  
We are children of the light  
Let us all work together in the Kingdom

Heard a newsman just the other day  
He said a war was comin' down  
He said destruction was just a breath away  
One world, one war, one awesome tragedy  
Yeah, that's what the world believes

I heard a preacher just the other day  
He said God's glory's comin' down  
Just as the waters cover all the seas  
One King, one crown, one reign forevermore  
Yeah that's what we have and more

We're alive, we are strong  
We're a nation, we belong  
Let us all stand together in the Kingdom  
No more darkness, no more night  
We are children of the light  
Let us all work together in the Kingdom

One Lord, one God  
One name above all names  
Let us all stand together in the Kingdom  
One King, one crown  
One reign forevermore  
All work together in the Kingdom

## CHRIST MY LIFE

Every morning I awake  
Giving you my life I pray  
Knowing I can't do it on my own  
I have come to seek your face  
Longing for your warm embrace  
Captured by the beauty of your eyes

Awesome God of eternity  
Glorious in Majesty  
Nothing can shatter my trust in thee  
In death you were victorious  
Now you reign in holiness  
Your Kingdom shall prevail

I will live for you - take my everything  
I will run for you - 'till my race is through  
I will cry for you - shed my tears with you  
Christ my Life

I will fight for you - forever by your side  
I will bleed for you - 'till your kingdoms through  
I will die for you - shed my last breath for you  
Christ my Life

I will live for you, run for you, cry for you  
I will fight for you, bleed for you, die for you

## LION OF JUDAH

Cold wind and rains, driven by desert storms  
Slaves to the suns unbridled heat and still we journey on - to rise! Rise  
Your reaching on, objects of scorn, the covenant of blood  
The remnant lives, and now it seals your fate

Judah, Your time has come  
Cities will burn, nations will fall  
Kingdoms are gone, still you stand strong  
The Lion of Judah

Laws of the prophets passed down for generations  
The veils removed, revealed in time, the scepter will not depart

The Lion of Judah, I hear your call  
Cities will burn, I know for sure  
Outside your walls, Temples will fall  
But still there's Judah

See the cornerstone, the strength of Israel  
Lay down your crowns, get off your throne, before you're carried away

The Lion of Judah, I hear your call  
Cities will burn, I know for sure  
Outside your walls, Temples will fall  
The Lion of Judah

## MILLENIAL REIGN

King of Kings, with all the power and majesty  
And with justice he alone, judges and makes war  
Lord of Lords, his eyes blazing like fire  
On his head are many crowns, wear a robe dipped  
In blood

For 1000 years, the throne of grace  
For 1000 years, no suffering pain  
For 1000 years - Millennial Reign

Word of God, heavens armies are following  
As he's wielding the sword, striking down the nations  
Faithful and true, is the spirit of prophecy  
Will the fury and the wrath ruling over creation

For 1000 years, the throne of grace  
For 1000 years, no suffering pain  
For 1000 years - Millennial Reign

King of Kings, with all the power and majesty  
And with justice he alone, judges and makes war  
Faithful and true, is the spirit of prophecy  
Will the fury and the wrath ruling over creation

For 1000 years, the throne of grace  
For 1000 years, no suffering pain  
For 1000 years - Millennial Reign

## ALL FOR ONE

Take a look around, won't ya tell me what you see  
Is there love to be found in this world's pain and misery?  
Tell me, will it ever change?

All for one and one for all  
Isn't that the way that it should be  
Will we ever change this world?  
United we will stand up tall  
United we will never fall  
If it's all for one and one for all

Days are going by, its up to you to make a start  
Before this world of ours turns to dust and falls apart  
Right now I know we can make a change

All for one and one for all  
Isn't that the way that it should be  
Will we ever save this world?  
United we will stand up tall  
United we will never fall  
If it's all for one and one for all

## INTO THIS GAME

Here I am in this world  
I'm a servant for your name  
Trying to make a better place  
I see fear, death, pain and anger  
People crying in despair  
The emptiness is growing strong today

Into this game  
Running through fire and water  
In christ I am strong  
My vision is clear  
You are the reason I live  
I'm into this game for your name

I look around where is the light  
Shadows all around the world  
We're getting closer to the end  
Give me love for my enemies  
Give me hope for the broken ones  
Holy spirit, show the the way

Time to move on  
Gotta be strong  
The road is long  
It's time to move
